

### SCHOOL OF AMERICAN BALLET

The Workshop Performance Benefit is the School of American Ballet's most anticipated event of the year. The annual workshop performances are the SAB's only public performances and a rare opportunity to get a sneak preview of the ballet world's up-and-coming young stars. A benefit dinner followed the Tuesday-evening performance at Lincoln Center, and attracted more than 600 art patrons, corporate VIPs, and New York's social elite for a seated dinner followed

lancing in the SAB studios. I spent the evening with the ed Dr. Amiya Prasad. I asked him about the best way to care my skin during the summer months, since the sun d... can really age the skin. He told me to visit his office and he

I spent the evening with the famed Dr. Amiya Prasad. I asked him about the best way to hydrate my skin during the summer months, since the sun and dry air can really age the skin. He told me to visit his office and he would let me try his new "Rescue" moisturizing product that he bottles and sells at his office on the Upper East Side.

Dr. Amiya Prasad
